

Prairie Region Workshop

Arboriculture in Today's Prairie Climate

2024 In-Person Workshops

This workshop, offered as a pre-conference workshop during the 2024 Canadian Urban Forest Conference, will speak on the current trends and future forecasts that influence planning and implementation of arboriculture practices in the Prairies, along with ideas on how to move ahead in a challenging prairie climate.

Date

October 15th, 2024

Location

**RBC Convention Centre,
Winnipeg, MB**

Time

1:00 PM - 4:00 PM

Cost

\$20.00

Speakers:

- **Toso Bozic – ATTS Group**
- **Rick Durand – Prairie tree researcher and plant breeder**
- **Dr. Danny Blair – Prairie Climate Centre**
